**Busiest Men In Country Find Time
to Go to Church. Do You?**

NO man is too busy, no man's time so precious, that he
cannot afford to spend a small part of one day in sev-
en in the house of God.

Don't lie in bed on the Sabbath morn. The church services
are not at an early hour. Six days in the week a man will
rush for the office to be in time for business. That is all
right. He should be prompt in his business duties. He should
also be prompt in his business with God. It is true that this
is a rush age. But the biggest men in the country, the men
whose services are worth as much in an hour as the ordina-
ry man's are in a day, may be seen for an hour and more
every Sabbath in church. These men find time to Go TO
CHURCH. They realize the seriousness of their obligation.
They are not shirkers. They do not consider it a sign of
weakness to be seen in church. They want to be seen there.
All honor to these men.

When you hear a man say that he is too busy to go to
church reason with him. Recall to him that the busiest men
in the country manage to find time for divine worship. If
you are healthy and prosperous go to church and thank
God for his blessings. If you are ill and in want go to church
and pray to God that your condition may be improved. And
that reminds us how ready some people are to forget God
and his blessings when things are coming their way. It is
only when misfortune comes that they turn to God and the
churches. Then they need God and the consolation that the
church affords.

But, while God is merciful, he also is just. If, when peo-
ple are prosperous and happy, they do not find time to visit
the house of God it is not just that God should pour out his
blessings and graces to them when misfortune comes.

Don't make the specious plea that you're too busy to Go
To CHURCH.

GO TO CHURCH next Sunday and every Sunday.
